(CERTIFICATE COURSE IN COMPUTING)

EXPERIENCE

OPERATION DEPARTMENT AT SAMPATH BANK

I completed an 11-month internship in the Operations Department at Sampath Bank, where I gained practical exposure to streamlining and managing core banking processes. My responsibilities included completing KYC reports with high accuracy, handling branch SDAS tasks efficiently, supporting daily operational workflows. I also assisted with compliance-related documentation and procedural checks. Through this experience, I strengthened my skills in financial operations, customer service, administrative coordination, and developed a strong understanding of how large-scale banking operations function in real time
